# Is Your Board Getting Too Old, Stalling Out or Becoming Stagnant?

| Question | Answer |
|---|---|
| What is the average age of your board members? | |
| How old is the oldest member? | |
| How old is your youngest member? | |
| What percentage of members have been on the board more than 10 years? | |
| What percentage of members have been on the board less than two years? | |
| Do members serve specified terms and are terms limited? | |
| If terms are limited is the limit enforced? | |
| Is there gender diversity on your board? (balance of men and women) | |
| Does the board represent the ethnicity of your community? | |
| Are the demographics of your customers represented on the board? | |
| Are you dealing with the same problems year after year? | |
| How long has the same person served as board chairman? | |
| Is your founder on board? | |
| Do your board members represent multiple churches? | |
| Has your board done anything new for a while? | |
| When was the last time that the board had a new vision for the organization? | |
| When is the last time that your board has stepped out in faith to accomplish a new goal? | |
